The Most Good You Can Do: The Ethical Questions Posed by Effective Altruism

pondělí 15. června 2015, 10:30-12:00

Abstract:

Effective altruism is an emerging movement of people concerned to do the most good they can. It raises many ethical issues, including: what is "the most good"? Can we make objective comparisons of the good done by different charitable causes? What motivates people to be altruistic?

Animal Liberation, Forty Years On

úterý 16. června 2015, 10:30-12:00

Abstract:

Animal Liberation was first published in 1975. I will recapitulate the central argument of the book and will then ask how well this argument stands up today. I will also consider, from a more practical point of view, what has happened over the past 40 years in this area, and how further progress can be made.
